

# SUMMER CAMP 2014

**NDA**

*United  
We  
Dance*

It happens once a year – and only once. Dance teams from places near and far, representing schools large and small, converge at camps across the country. From beginners looking to build a firm foundation to experienced teams sharpening their skills, they come. They come to learn. They come to grow. But most of all, they come to have fun. So pack your bags and grab your dancin' shoes.

**IT'S TIME TO COME TO CAMP.**

# NDA Staff

## STAFF

You'll be learning from the best. The NDA Staff is made up of knowledgeable, well-trained dancers who are passionate about teaching. With backgrounds such as collegiate and professional sports team dancers, studio owners, directors, and dance teachers, our instructors are devoted to dance and committed to sharing their joy with the teams they teach.

## BUDDY INSTRUCTORS

While at camp, each team will have their very own NDA Staff member as a Buddy Instructor. Not only do Buddy Instructors help you achieve your goals by providing hours of one-on-one time, they also serve as a positive, energetic and hard-working role model. In addition, a second instructor will provide a fresh set of eyes to help teams polish and perfect camp material during our Prime Time sessions.

# Camps

No two teams are alike. That's why we have camps of all kinds. No matter your team's size or skill-level, one of our camps is bound to fit just right.

## Camp Highlights:

- A Team Dance Routine consisting of Jazz, Pom, Kick and Hip Hop styles unique to NDA
- Style Routines specifically selected for each camp
- Jazz, Pom and Hip Hop sidelines
- Specialty Technique classes appropriate for all levels, from beginner to elite

So don't stop now. The perfect camp for you is right around the corner.
