THE
FUTURE
OF

SOARING
TO NEW HEIGHTS

believe it, be it, live it

2013 - OZONE is the leotard company that defines the lifestyle of gymnastics. Over the past year, we have lived up to our promise of fulfilling the daily fashion needs of the gymnast, coach and the gym owner. We have punctually delivered high quality garments with a fashionable approach at a great price point. What do we attribute to our success? From the beginning we have always understood the lifestyle of gymnastics from all perspectives,

the athlete, coach and gym owner.

As part of our continued development we are proud to announce that we have two new options for competitive and practice leotards. Our new line of cut and sew leotards will allow you to create a customized look without breaking your budget. Also, we have a new line of sublimated leotards and bags that will give you that unique style. All of these can be delivered in plenty of time for your first gymnastics' meet.
