GAME CHANGING IMPACT

Some schools are rocking,

with pep clubs and stadiums full of people and are ready to take their spirit to the next level.

Some schools are doing okay,

wanting to increase student engagement but struggling with how to fund it because of budget issues and not knowing where to begin.

Some schools are facing challenges

due to using a copyright infringed mascot that has or may lead to a cease and desist letter.

Some schools are battling

a lack of community involvement and poor public image perceptions along with a slew of social media issues like bullying, distracted driving and more.

HOW CAN YOU IMPACT CHANGE AT YOUR SCHOOL?

POLICIES

DFIIVERY

Contact your local Varsity representative or our Customer Service department or see varsity.com for current delivery schedules. Delivery schedules are approximate and may vary depending upon availability of products and time of the year your order is placed. Delivery schedule begins upon Varsity's entry and processing of your completed order in the main office. Please allow for transportation time in your area.

We assume no liability for delays in or failure to make delivery due to our inability to obtain supplies, raw materials and labor, or to conditions over which we have no control, including the delays of carriers, accidents, strikes, war, or other unavoidable cause.

MATCHING PREVIOUS ORDERS

Need to outfit new squad members in matching uniforms?

We make every effort to match colors as closely as possible. Although the finest dyes are used in all items, materials and lots may absorb dye to slightly varying degrees and shading differences may occur. Varsity cannot be responsible for matching items purchased from our catalog to those purchased from other suppliers. See color chart for approximate Varsity colors.

All reorders for uniforms with monogram or ECMs must include a photocopy of the garment showing the style and placement of the lettering. Reorders may not match exactly unless a photocopy is included. Uniform reorders for garments with tackle twill must include the original order number. Please contact your local Varsity sales representative for all reorders.

CANCELLATIONS

All Varsity uniforms are specially made for the individual customer. Therefore, once your order has been placed into production it is impossible to cancel it or make changes to it.

USE AND CARE INSTRUCTIONS

Varsity garments are all easy care, easy wear. Use and care instructions are included with each garment and/or are printed clearly on all garment labels. Items not washed according to our labels are not returnable.

Do not exceed temperatures recommended on the care label. We recommend that no harsh detergents or bleach be used. Polyester garments should be washed separately in a full tub of warm water. Remove the garment promptly from the washer once the cycle is complete and hang the garment to dry.

Do not use fabric softener on polyester garments as it may affect soil release properties.

If the initial wash instructions are not followed and color migration occurs, wash the garment again (before drying), following the instructions provided.

Do not dry clean Varsity uniforms. Dry cleaned items are not returnable. If you have your merchandise dry cleaned, you or dry cleaner must assume responsibility for damage.

Wash campwear in cool water and allow to dry naturally. We recommend washing t-shirts and tanks prior to wearing.

RETURNS AND EXCHANGES

Varsity stands behind all of our products. If we have manufactured a garment incorrectly or our merchandise is defective, Varsity will make it right. If you have questions regarding custom merchandise, please call your local representative or our customer service department toll-free at 1-800-533-8022.
