## DETERMINING YOUR UNIFORM SIZE

Have the same person, preferably your Varsity Sales Representative, measure all squad members. A sponsor or an in back from the natural experienced seamstress could also measure.

DO NOT TAKE YOUR OWN MEASUREMENTS. When being measured, wear the same undergarments you normally wear under your uniform.

WAIST: Measure snugly around body at waistline.

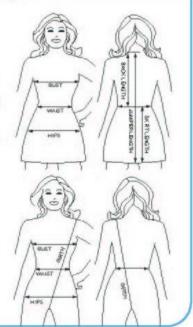

BUST/CHEST: With arms raised to shoulder level, measure around the fullest part of the chest.

HIPS: Measure around the fullest part of the hips.

SKIRT LENGTH: Measure waistline, over the hips, to the desired length on leg. (Skirt length measurement is made from the bottom of the waistband to the hemline. I Available lenaths: 12', 13', 14', 15', 16', 17'. Select skirts available in additional lengths.

GIRTH: Measure from the front of the shoulder down through the crotch and back to the same shoulder.

PANTS INSEAM: Measure inside the leg from top to the desired pants length. (Shorts: standard inseam).
